INDEPENDENT REVIEW REPORT TO THE MEMBERS OF LODESTONE EXPLORATION LIMITED

Scope

The Financial Report and Directors' responsibilities

The financial report comprises the statement of financial performance, statement of financial position, statement of cash flows, accompanying notes to the financial statements, and the Directors' declaration for Lodestone Exploration Limited ("the company") for the half-year ended 31 December 2003.

The Directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Review Approach

We have conducted an independent review of the financial report in order for the company to lodge the financial report with the Australian Securities & Investments Commission. Our review was conducted in accordance with Australian Auditing Standards applicable to review engagements. We performed procedures in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report does not present fairly, in accordance with Accounting Standard AASB 1029 : Interim Financial Reporting, other mandatory professional reporting requirements in Australia and the Corporations Act 2001, a view which is consistent with our understanding of the company's financial position, and performance as represented by the results of its operations and its cash flows.

Our review procedures were limited to:

- i) inquiries of the company's personnel of certain internal controls, transactions, significant accounting estimates and individual items; and
- ii) analytical procedures applied to financial data.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

The Australian Auditing Standards do not require, and we have not undertaken, an analysis of the appropriateness of the business decisions made by the Directors or management.

These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Independence

In conducting our review, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

**INDEPENDENT REVIEW REPORT TO THE MEMBERS OF
LODESTONE EXPLORATION LIMITED
(continued)**

Review Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the financial report of Lodestone Exploration Limited is not in accordance with:

- a) the Corporations Act 2001, including:
 - i) giving a true and fair view of the company's financial position as at 31 December 2003 and of its performance for the half-year ended on that date; and
 - ii) complying with Accounting Standard AASB 1029 : Interim Financial Reporting and the Corporations Regulations 2001; and

- b) other mandatory professional reporting requirements.
